Friends of CRS UK does not work directly with children and adults at risk but is committed to ensuring that all CRS projects and activities are conducted with appropriate Safeguarding procedures and policies in place.

This involves UK Trustees:

- Being aware of the CRS Safeguarding policies (namely the CRS Child Protection Policy, and the CRS PSEAH Policy) and procedures and practices therein.
- Reviewing the CRS Safeguarding policies annually to ensure that they promote the welfare of the ultimate beneficiaries, staff and trustees.
- Appointing a Safeguarding Trustee to monitor and ensure due diligence.
- Ensuring that safeguarding and promoting the welfare of children and vulnerable adults is everyone’s responsibility, that all are clear about how they are expected to behave with children and vulnerable adults, and all know what to do if there are concerns about the safety of an individual.
- Ensuring that these standards are fit for purpose in deterring potential abusers from joining CRS.
- Ensuring that funding provided by Friends of CRS is not enabling abuse in any way.
- Evaluating Safeguarding practices on the ground when Trustees visit CRS projects and raising any concerns with CRS staff and UK Trustees as appropriate.
- Ensuring that volunteers visiting CRS under the auspices of Friends of CRS UK have DBS checks as appropriate and agree to abide by this policy (evidenced by signing and dating a copy of this policy and returning to the FCRS trustee responsible for Safeguarding) and have read the CRS Safeguarding policies.

 - Visitors will not be allowed to offer any gifts to children without prior permission of CRS staff
